Dukaan Dost

Kitna baaki tha?

Bhaiya, mera kitna baaki hai?

Umm... bahi mein dekhta hoon.

Ek sachchi baat: "Sharma ji **ne** 500 diye" aur "Sharma ji **ko** 500 diye" mein sirf ek shabd ka farak hai, par paise ki disha ulti hai.

Yeh kahani ek illustration hai, kisi asli dukaandaar ya graahak ki nahi.

Dukaan Dost

Kaun hai user, aur kitna bada hai?

User

Kirana dukaandaar jo graahak ko udhaar par saaman deta hai, aur counter par haath khaali nahi hote.

Demo mein: "Shree Ganesh Kirana", kalpanik dukaan aur kalpanik graahak.

Market size

Abhi naapa nahi. Bina source ke hum koi number nahi denge.

GAP: bottom-up estimate baaki hai

Pehla kaam: das asli dukaanon se baat karke dekhna ki udhaar kaise likha jaata hai.

Dukaan Dost

Bolo. Parchi dekho. Tap karo.

1. Bolo. Jaise munshi ji se.

2. Parchi. Naam, rakam digits aur shabdon mein, aur disha.

3. Tap. Tab hi लिख लिया lagta hai.

App ki asli screen, sample dukaan, kalpanik naam.

Dukaan Dost

45 second ka launch film.

Likh liya.

Kahani: bahi mein dhoondhna, phir bolna, parchi, stamp, balance, reminder draft.

Paisa kaun dega?

Yeh sab hypotheses hain, saabit nahi.

Plan	Kya milega	Kaun, kitna, kab
Free	Sample dukaan, entry, khata, parchi	Dukaandaar ke liye muft shuruaat
Extras	Reminders aur backup jaise add-ons	Price abhi pata nahi. Pricing test se tay hoga.

Sabse bada sawaal abhi khula hai: kya yeh itna kaam ka hai ki koi iske liye paise de?

Pehle 100 users kahan se?

Channel 1

Dukaandaar se dukaandaar: ek dukaan ko demo, phir aas-paas ki dukaanein.

Channel 2

Local wholesalers aur dukaan associations jo kai dukaanon se jude hain.

Abhi kisi se baat nahi hui. Shuruaat das dukaanon ke test se, unki sahmati se.
